

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Geomorphological Analysis
Course Code	GEOG1C01
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

1. Course Description

1. Familiarity and experience applying fundamental concepts in physical systems.
2. Practice in using models, data and logical reasoning to critically evaluate and connect information about geomorphic processes.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. Make an initial geomorphological fieldwork.
2. Learn the techniques of geomorphological analysis

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I -pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Geography of India
Course Code	GEOG1C02
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

1. Course Description

1. This course on the Geography of India assumes' that the students are familiar with the basic landforms, climate, soil, vegetation and population characteristics of India.
2. It is a course designed to enable students to broaden and deepen their understanding of India.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. Students would gain understanding of 'new' geography of their country.
2. The spatial variations of dimensions of vitality and vulnerability would help them see the strength and weakness of the country

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria.

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I -pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Statistical Techniques in Spatial Analysis
Course Code	GEOG1C03
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

1. Course Description

1. This course studies the concept of statistics and its geographical applications.
2. It lays the foundation of quantitative techniques to the students for spatial analysis

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. The students will learn various statistical skills.
2. The students will know how the statistical theories and functions will be applied in geography

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan :

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid -Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End -Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I -pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Analytical Physical Geography (Practical)
Course Code	GEOG1E01
Credits	6 (L: 0 ,P:6 ,T:0)
Faculty Name	Dr. Sharmila
Program	M.A,
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

1. Course Description

1. To know diverse methods of analysing and interpreting geographical and geological data.
2. To develop an understanding of how this knowledge may be applied in practice.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. Quantitative analysis of morphometric data.
2. Interpretation of geological maps and identification of rocks.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I- pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Climatology and Biogeography
Course Code	GEOG1E02
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

1. Course Description

1. In depth study of Climatology and Biogeography.
2. Knowledge of interrelationship between man and nature.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. Dynamics of climate and related theories.
2. Understanding of Vegetation as an index of climate.
3. Assessment of different aspects of floral and faunal provinces

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
-----------	-----------	---------

Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I - pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Cultural Geography
Course Code	GEOG1E03
Credits	4 (L: 3 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

2. Course Description

1. To enhance the understanding of culture using key concepts of geography
2. To develop analytical skills to decode culture

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. Make sense of culture
2. Geographic epistemologies for analysing culture
3. Develop analytical capability to read contemporary issues of culture

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)

Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I- pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Geography of Urban Environment
Course Code	GEOG1E04
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

1. Course Description

- 1 This course attempts to acquaint the students to the conceptual process of urban environment.
- 2 The course examines the questions related to urban urbanization and contemporary environmental issues in India..

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. The students will be able to understand the concepts and process of urban environmental issues.
- 2) The students will be able to analyse the consequences of urban environmental consequences at different scales.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
-----------	-----------	---------

Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I-pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Historical Geography
Course Code	GEOG1E05
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 1 st Semester

2. Course Description

1. The students will be exposed to the historical dimensions in geography.
2. The students will be conscious of the various components of historical geography.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. The students will be able to understand and analyse the principal issues confronting historical geography.
2. The students will get an insight into various components of historical geography.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)

Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

No discussion or negotiation will be entertained at all with respect to this.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Population and Development
Course Code	GEOG1E06
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 2 nd Semester

1. Course Description

1. This course intends to apprise the students about different perspectives related to population and development nexus.
2. Student shall learn about the demographic transition models, its genesis, process and consequences from spatial perspectives.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. After taking this course, a candidate should be able to appreciate diverse perspective of population and development debate.
2. Students will be confident to visualise the consequences of demographic transition on the economy, society and politics.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan :

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)

Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I- pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. Course Outline

COURSE TITLE	Social Geography of India
Course Code	GEOG1E07
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 2 nd Semester

2. Course Description

1. Acquaint with the abnormal behavior and its criteria and characteristics.
2. Understand models of abnormality.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. Knowledge of the geographic basis of socio-cultural regionalisation in India and continuity and correspondence of socio- political and geographic boundaries.
- 2 Knowledge the religious identity in regional context; geographic factors underlying patterning of languages.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan :

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
-----------	-----------	---------

Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Techniques and Methods of Regional Analysis
Course Code	GEOG1E08
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 2 nd Semester

1. Course Description

Regional Science is a field of the social sciences concerned with analytical approaches to problems that are specifically regional in nature.

2. Student Learning Outcomes:

At the end of this course, students should be able to:

1. The students will be able to understand and analyse the role of population and migration in regional economic analysis.
2. The students will be able to appreciate and analyse the implications of region's economic analysis in regional studies.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan :

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
-----------	-----------	---------

Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.

SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Transport Network and Flow Analysis
Course Code	GEOG1E09
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 2 nd Semester

1. Course Description

1. The students will be exposed to the role and significance of 'transport' in geography.
- 2 The students will be conscious of the various facets of transport network.

2. Student Learning Outcomes:

At the end of this course, Students should be able to:

1. The students will be able to understand and analyse the principal issues confronting the transportation systems today.
- 2 The students will get an insight into 'how transportation systems work', through live casestudy from India and World.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)

Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. SINGHANIA UNIVERSITY

(UGC- Recognized University as per section 2(f) of the UGC act 1956)

Course Outline

COURSE TITLE	Urban Geography
Course Code	GEOG1E10
Credits	5 (L: 4 ,P:0 ,T:1)
Faculty Name	Dr. Sharmila
Program	M.A.
Academic Year and Semester	w.e.f. 2024-25, 2 nd Semester

1. Course Description

1. To critically understand the complexities of urban cities and the experience of living in these cities.
2. To critically understand a broad range of issues that cities face today

2. Student Learning Outcomes:

At the end of this course, Students should be able to:

1. To understand the linkages between urban cities and the societal forces that shapes it.
- 2 Critically analyse contemporary urban issues from a geographical perspective.
- 3 Understand urban issues in order to engage with possible and effective planning and policy interventions.

3. Required Textbook and Reference Material:

- Material will be provided by faculty.

4. Session Plan:

Session plan will be provided by faculty members according to the syllabus.

5. Evaluation:

COMPONENT	WEIGHTAGE	DETAILS
Assignment	10%	Sheet Work(A-4 Size sheet in a well mannered way)
Tests	10%	Test would be taken to assess the knowledge about topics related to daily basis classes.
Attendance & Classroom participation	10%	Students should have at least 75% attendance
Mid- Sem Exam	20%	Mid- Term exam must be cleared by students for appearing in final examination.
End- Sem Exam	50%	The end term exam must be cleared for appearing in next semester with a minimum passing criteria .

6. Academic Integrity:

- Please note that students involved in academic dishonesty will receive a **ZERO** grade on the particular component in which the infraction occurred.
- Academic dishonesty consists of misrepresentation by deception or by other fraudulent means. In an academic setting this may take the form of copying or use of unauthorized aids in tests, assignments, examinations, term papers, or cases; plagiarism; talking during in-class examinations; submission of work that is not your own without citation; submission of work generated by another person; aiding and abetting another student's dishonesty; and giving false information for the purpose of gaining credits.

7. No Network Policy

Students cannot operate any network enabled devices such as cell phones, e- tabs, I- pads or any other electronic network enabled devices inside the classroom during the sessions unless specifically instructed by the faculty. In case you are compelled to carry it in person, you may keep it in the switched off mode. Anyone found to operate such devices during the session timings will be penalized as per the rules. No discussion or negotiation will be entertained at all with respect to this.
